

DIRECT DEPOSIT / ELECTRONIC FUNDS TRANSFER ENROLLMENT

Montare Operating, Ltd. would like to take this opportunity to provide you with the **option** to participate in our Royalty Direct Deposit program. This program is part of our continuing effort to provide the best customer service to our royalty owners. Benefits of Royalty Direct Deposit include the elimination of mailing delays, lost or stolen checks and receipt delays related to address changes. Royalty Direct Deposit will allow a royalty owner to receive an electronic funds transfer (EFT) at the financial institution (bank, credit union or savings and loan) of their choice. The EFT will deposit the monthly royalty payment into the selected bank account and will be available for use the next business day following the check issue date. It is faster, convenient, more efficient, plus, it is free. In order to begin receiving Electronic Payments, please fill out the form below and attach a voided check.

If you choose to receive your payments electronically, your check detail will be available to view and print at www.energylink.com on the check issue date. If you need EnergyLink support, please call 1-888-573-3364 or on-line at www.energylink.com.

If you elect not to participate in our Royalty Direct Deposit program, simply disregard this letter and you will continue to receive payment by mail. No further action on your part is necessary.

The undersigned hereby agrees Montare Operating, Ltd., may reverse any electronic payment that is determined to be duplicate or made in error. Such royalty owner further agrees that authorization of electronic funds transfer (EFT) as evidenced by the signature below amends the royalty owner's existing payment instructions to Montare Operating, Ltd. and such authorization will remain in effect until otherwise cancelled by the royalty owner by way of written notification to Montare Operating, Ltd. **Royalty owner may change any portion of the information provided below by giving at least thirty (30) days written notice.
